

Call us: Montrose Alpine Nursery, 970.765.8625

With a tight root ball grown in clay sandy loam at 7400 feet in very harsh conditions, our Native grown B&B trees have a very high survivability rate, **100%** to date!

**** Our Shipping costs are about \$6-8 per tree (depending on distance from Montrose) for a full truckload (~65 trees)**

(ie: for 100 miles from Montrose, for 65 trees the cost per tree is ~\$6.50)

**** Currently offering our ProGreenExpo discount of 10% (on orders of 20 trees or more), placed before May 1st**

**** Please call us on pricing. Prices below are per tree, based on the volume specified (We will negotiate pricing)**

**** We will meet or beat any reasonable pricing offered by any wholesale tree grower who is located in the state of Colorado**
